Polaris Electronics

Kaerholt 1, DK-9210 Aalborg SO, Denmark

Attn: Jacob Sukkot

Reference: Agreement partner between Iridium Satellite LLC ("Iridium") and **Polaris Electronics**

Dear: Jacob Sukkot

Based upon **Polaris Electronics** successful fulfilment of the requirements specified in the Iridium Partner Agreement (including any specific requirements which may have been waived by Iridium as specified below), Iridium hereby certifies the **Polaris Sirius One LRIT** for commercial use in connection with the Iridium Communications System as follows:

Equipment Description: Polaris Sirius One LRIT

This certification by Iridium is limited in scope to the specific capabilities defined in the specifications provided by you and successfully tested as described in the Test Description. This certification certifies only that (a) the Iridium Communications System and (b) any Product or Service that is used in conjunction with the Iridium Communications System, are not harmed, impaired, hindered, damaged or otherwise adversely affected by this approved Iridium Solution. Iridium does not certify or otherwise make any representation or warranty to the public or any third party, Subscriber or other end user as to the quality, effectiveness, reliability, performance or safety of the device, and any representation or statement by **Polaris Electronics** (or its agents or distributors) to the contrary shall be deemed a material breach of the Agreement and Iridium may terminate the Agreement.

As set forth in the Agreement, in the event of an enhancement or material change to the device listed above, **Polaris Electronics** (or its agents or distributors) must obtain a Re-Certification Letter from Iridium in order to continue marketing and selling this product. Failure to obtain re-certification shall be deemed a material breach of the Agreement and Iridium may terminate the Agreement.

In the event that a significant defect or abnormal scenario (including a significant Iridium Communications System defect which can reasonably be attributed to the **Polaris Sirius One LRIT** is identified subsequent to the issuance of this certification, Iridium reserves the right to immediately withdraw certification at any time. **Polaris Electronics** cooperate with Iridium as necessary to evaluate the defect and to re-issue the Iridium Solution certification.

Should you have any questions regarding this Iridium Solution Certification Letter, please contact the under-signed at +1.703.287.7475.

Sincerely,

Ian Itz
