OUR VISION

Polaris Electronics A/S wishes to be among the best and most reliable suppliers of communication and navigation equipment to the maritime markets.

We want to be ready to serve you with our expert knowledge and the most solid products, whenever you need us, every day of the week and all 24 hours of the day. Besides gaining even more highly satisfied customers, our mission is to do our very best in order to hold on to our existing customers.

We want to distinguish ourselves from our competitors through our high standards of service level, and we put pride in providing optimal guidance before, during and after the sale.

MARITIME

POLARIS ELECTRONICS A/S IS AMONG **THE LARGEST MARITIME ELECTRONICS COMPANIES IN THE WORLD.**

The simple reason is that 98,8 % of our maritime product portfolio is always in stock, and we are able to provide day to day delivery.

We know that it is all about the best service and rapid response, if you want success in the maritime industry, and therefore we always have all our offered spare parts in stock.

To ensure a safe delivery we always use the best forwarding agents.

AIRTIME

POLARIS ELECTRONICS A/S PROVIDES **A WIDE SELECTION OF SATELLITE COMMUNICATION SERVICES** FOR BOTH THE MARITIME AND THE LAND MOBILE MARKETS.

We are a service provider for all the most significant leaders.

Furthermore, we are Accounting Authority (DK04) as well as Point of Service Activation (PSA3069). This means that we are also able to handle commissioning for our customers around the world – around the clock.

LAND MOBILE

POLARIS ELECTRONICS A/S HAS THE **BEST REFERENCES AMONG NGOS, GOVERNMENT, MEDIAS, EMERGENCY, OIL, GAS & MINING.**

We deliver robust and high-performance communications equipment, because we know that having the most reliable equipment may become a matter of life or death for the person in the field, who often operates in an area where infrastructure is non-existing.

All of our equipment is based on reliable systems such as VSAT, Inmarsat, Iridium & Thuraya.

SERVICE

TECHNICIANS EMPLOYED BY POLARIS ELECTRONICS A/S **ARE AMONG THE MOST RESPECTED IN THE WORLD.**

All our technicians are trained, fully certified and with many years' experience. Constantly they are being updated with the latest knowledge.

Polaris Electronics A/S is certified to perform radio surveys of the leading classification societies.

We always bring all necessary spare parts to be able to solve the problem at the first visit.

Through our vast network of partners we solve the most complex problems quickly and efficiently.
